

Sponsor Benefits

We would like to invite you to sponsor The Ecological Farming Association (EcoFarm). EcoFarm is an independent, nonprofit organization that nurtures healthy and just farms, food systems, communities and environment by bringing people together for education, alliance building and advocacy. Sponsorship amounts listed below are the fair market value of the package you will receive. Any charitable donation you make is offset by value received. In other words your sponsorship is deductible as promotion/advertising. If you wish to make an additional charitable donation please see our donor form.
